ASSOCIATION of PEDIATRIC
HEMATOLOGY/ONCOLOGY NURSES

Still not sure? Here's what practicing pediatric hematology/oncology nurses say about their APHON membership:

"APHON always has been and always will be my first choice for my membership dollar. I always get back *much* more than I spend."

Joetta DeSwarte Wallace, MSN RN FNP-C CPON®, nurse practitioner, APHON President Elect 2006–2007

"I work as a clinical nurse specialist on a pediatric hematology/oncology unit, and APHON is my right hand. So many resources provided by APHON assist with the teaching needs of my staff and families. I utilize the Listserv for networking with other educators, the course materials, the teaching booklets, and the Web site, to name just a few. In addition to these great resources, attending the APHON annual conference is always one of my yearly career highlights."

Michelle Lynn Burke, MSN ARNP CPON®, clinical nurse specialist

"APHON offers excellent resources and contacts. It affords members the opportunity to receive specialty education in the pediatric hematology/oncology field of nursing. APHON has provided major opportunities over the years for networking and developing social and professional relationships within the specialty."

Rita Secola, MSN RN CPON®, clinical manager, APHON President 2005–2007

"I could not be the nurse I am today if not for the education APHON has provided all these years. Thank you for giving me the opportunity to grow as a professional."

Delores Hagen, RN BSN, staff nurse

"I am very proud of my membership in APHON. I have met such wonderful, dedicated people at every annual conference I have attended. Our conferences present an opportunity to be educated and to educate others—and to make wonderful lifelong friends along the way. Join APHON and watch yourself grow!"

Melody Ann Watral, MSN RN CPNP CPON®, pediatric nurse practitioner, APHON Secretary 2003–2005

"I began attending the national APHON annual conferences in 1995 because of the excellent educational and networking opportunities. I look forward to serving as a board member in such a wonderful professional organization. APHON offers many professional opportunities for any pediatric hematology/oncology nurse who wants to be involved."

Kathleen Adlard, MN RN CPON®, clinical nurse specialist, APHON Director-at-Large 2006–2009
