Chiquita Brooks-LaSure Administrator Centers for Medicare & Medicaid Services 7500 Security Boulevard Baltimore, MD 21244

Dear Administrator Brooks-LaSure,

On behalf of the Nursing Community Coalition (NCC), which includes 63 member organizations, we congratulate you on your confirmation as the Administrator of the Centers for Medicare and Medicaid Services (CMS) and welcome the opportunity to meet and discuss shared goals. The NCC represents a cross section of education, practice, research, and regulation within the nursing profession and believes that the healthcare delivery system should be one that promotes wellness, advances research through scientific discovery, and provides timely access to care across the life continuum. We are proud to continue our work with CMS, especially as nurses, Advanced Practice Registered Nurses (APRNs)¹, nursing students, and nurse leaders represent the largest segment of the healthcare workforce.

The work you have accomplished throughout your career, and your dedication to ensuring policies improve coverage for patients, exemplifies the dedication you have to ensure all individuals receive the care they need and deserve. We recognize that our students, nurses, and APRNs are an integral link to all aspects of that care, no matter if it is in remote rural areas or large urban cities. Ensuring the health care of our communities across the country is crucial. That is why we have supported various initiatives to remove barriers to practice, encourage innovation, increase flexibility in telehealth provisions, coverage, and reimbursement, and extend, or make permanent, waivers issued during this public health emergency.

The unique partnership the NCC has created allows our national nursing organizations to unite on shared priorities and promote America's health through the nursing lens. We stand ready to work with you in your mission to support the health of our nation. If the Nursing Community Coalition can be of any assistance to you or your staff, and to set up a meeting to discuss shared goals, please

¹ APRNs include certified nurse-midwives (CNMs), certified registered nurse anesthetists (CRNAs), clinical nurse specialists (CNSs) and nurse practitioners (NPs).

do not hesitate to contact the coalition's Executive Director, Rachel Stevenson, at rstevenson@thenursingcommunity.org or at 202-463-6930, ext. 271.

Sincerely,
